

Il Mingardi S Premium

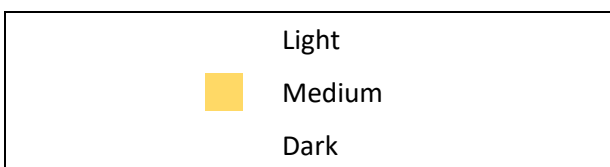

Roasted coffee blend with a pure, sharp and dynamic taste. Smoothness, balance and creaminess are its main characteristics.

The harmonious ensemble between Arabica and Robusta species, generates a balance in the aroma which enhances the elegance and the sweetness of the coffee in the cup. The intense and immediate perception of dried fruits in the sense of smell is also found in the first taste, which introduces and leaves room for lively notes of cocoa. The result is an understandable and easy-to-brew coffee.
